

# in another world

Words and Music by Richard Hingley © 2005

## Verse 1

I'm gonna see life from another world  
Be strong I'm in another world  
I'm waiting in another world

## Bridge 1

But hold onto our dreams  
We both know what that means

## Verse 2

I'm gonna feel life from another world  
I'm on my own in another world  
I can feel you from another world

## Bridge 2

But you always must believe  
I'll see you one day soon.....but I'm

## Chorus

I'm far away now - With the stars all around me  
My fears have long gone - Till another day  
When we'll fly away, Together - Forever

## Verse 3

I'm here now in another world  
It feels strange here in another world  
And you are on a different world

## Bridge 3

And time seems to tick by  
So wipe those tears from your eyes....but I'm

## Chorus to end
