Verse 1

A new light a different look
A turned page in the book
A fresh focus has begun
New light from the sun

Bridge 1

I dream of things I've seen
Listen for birdsong it's time for their chorus

Chorus 1

Oooh – the sun is here with new light fresh and clear
Oooh – It is the dawn of a bright new start for you

Verse 2

Look inside and deep within
Open your eyes and let it in
A new vision new foresight
Fresh Perspective a bright new light

Bridge 2

Shards of light disturb the night
Breaking the moonlight spectacular first light

Chorus 2

Oooh – The sun has come the light streams in on you
Oooh – The night has gone a shadow cast from you

Chorus 1 and 2 (rpt)

Now clear your head clear your mind and start again

Sunrise sunrise – ooh yeah,
Sunrise sunrise - what a beautiful sunrise
Can you see it can you feel it – yeah

First light, new dawn, bright light, no night, new look,

repeat to end
