

# tomorrow

Words and Music by Richard Hingley © 2005

## Verse 1

A puzzle sits before me.... pieces in mind  
Of a solitary lifestyle.... understand  
I have a guiding Angel.... to show me the way  
To fit the pieces squarely.... but the question still remains

## Bridge 1

Will I feel this way tomorrow?  
Will you feel this way tomorrow?  
Will we feel this way .....

## Chorus 1

Tomorrow, yeah, Tomorrow, oh yeah, Tomorrow bring it on, Tomorrow oh

## Verse 2

So try to close the circle.... breaking the thread  
Unspoken feelings taunt me.... in a spinning head  
Looking for a way out.... a solution to find  
Please help me someone.... but the question still remains

## Bridge 2

Will I feel this way tomorrow?  
Will you feel this way tomorrow?  
Will we feel this way .....

## Chorus 2

Tomorrow, bring it on. Tomorrow – Tomorrow, bring it on, Tomorrow

## Middle 8

Till then you've got to hold onto the things you care for  
Hmmm - Dig inside for the strength you strive for  
Oooh .... bring it on tomorrow  
Oooh .... bring it on tomorrow

## Chorus 3

Tomorrow, bring it on. Tomorrow – Tomorrow, bring it on, Tomorrow

## Chorus Outro and adlibs to end
